JOANNA PROFESSIONAL

EXCELENT QUALITY AND COMFORT FOR PROFESSIONALS

Joanna Professional is a line specially developed for hair salons. It has been recognized by professionals for a number of years. In order to meet the demands of the hairdressing market, we always ensure that the products are based on the latest technologies and active ingredients for a truly professional effect. We believe that a good product does not have to be expensive and can be available at a reasonable price and still be effective and visually appealing.

PLATINUM LIGHTENER

The new formula of the Platinum Lightener allows you to lighten your hair even by 6-7 tones. The product contains carefully selected silk proteins which protect the hair structure during the lightening process, thanks to which your hair is glossy, nice to the touch and kept in better shape after the whole process.

450 g

PLATINUM CLASSIC LIGHTENER

The new formula of the Platinum Classic Lightener allows you to lighten your hair even by 6-7 tones. It contains a LightPro complex providing your hair with appropriate lightening intensity, thanks to which your hair gains cold, platinum shades. After the whole process, your hair remains glossy and nice to the touch.

450 g

3%, 6%, 9%, 12% OXIDANT CREAMS

The Joanna Professional oxidant creams have been valued by hairdressers for a number of years. Thanks to their unique and creamy, yet delicate texture, they guarantee perfect effects and comfort of use. They are recommended for all hair coloring and lightening treatments.

130 g and 1000 g

COLOR REVITALIZING LINE COLOR BOOST COMPLEX

NEUTRALIZES UNDESIRABLE, YELLOWISH BLOND SHADE,
GIVES COLD GRAY SHADE AND GLOSS

Lightened hair, blonde or gray, often takes on a yellowish tint. Products from this line perfectly neutralize this undesirable effect and provide a cold, ash blonde shade, which is gradually enhanced after every use. The formulas of the cosmetics are enriched with protective microproteins, thanks to which your hair becomes glossy, light and nice to touch. They have a beautiful blackcurrant fragrance.

SHAMPOO **500 g**
CONDITIONER **500 g**

COLOR TONING LINE COLOR BOOST COMPLEX

NEUTRALIZES UNDESIRABLE, YELLOWISH BLOND SHADE, GIVES
WARM PINK SHADE AND GLOSS

Products from this line perfectly neutralize undesirable, yellowish effect and provides a warm, pink blonde shade, which is gradually enhanced after every use. The formulas of the cosmetics are enriched with protective microproteins, thanks to which your hair becomes glossy, light and nice to touch.

SHAMPOO **500 g**
CONDITIONER **500 g**

COLOR-ENHANCING CONDITIONERS COLOR BOOST COMPLEX

INTENSIFY SELECTED HAIR SHADES

The unique formula is based on intensively conditioning ingredients and selected direct dyes. Without the addition of either hydrogen peroxide or ammonia, it allows you to intensify, refresh and gives your hair colorful reflections in a simple and effective way in few minutes. The revitalizer provides an immediate effect that lasts up to 3-4 washes, gradually rinsing out. Product ensure fresh and full of shine color.

200 g

REBUILDING LINE KERATIN

FOR WEAK, BRITTLE AND ROUGH HAIR

This effective line for hair care of coarse, dull and brittle hair contains an innovative keratin ingredient with an affinity for hair. Thanks to that, it identifies and restores the most damaged areas on its surface in order to strengthen it and refill the lacking keratin. After the use, your hair is restored, stronger and bouncy.
